140, via 4 novembre, Fano (PU)

LinkedIn/AlessandroGaggioli

04/11/2000

SKILLS

- Office suite
  Word, Excel, PowerPoint
- CAD
  Creo Parametric
- Computer Programming
  STM32, MATLAB, Simulink, LabView, ROS2
- Programming Languages
  C, C++, Python

LANGUAGES

- Italian (native)
- English (B2)

LICENCES

- Driving licence B

SOFT SKILLS

- Teamwork
- Leadership
- Organizational skills
- Communication skills
- Decision-making skills

Autorizzo il trattamento dei miei dati personali presenti nel CV ai sensi del D.Lgs. 196/2003 e s.m.i. e dell'art. 13 del GDPR (Regolamento UE 2016/679) ai fini della ricerca e selezione del personale.

PROFILE

As an engineer, I am passionate about technology and innovation, particularly automation, power electronics and sustainable mobility. Determination, teamwork and curiosity guide my path. My passion for marine activities has driven me to challenge myself in experiences such as UniBoAT and the Monaco Energy Boat Challenge. My goal is to continue growing and contributing to innovative and sustainable projects.

WORK EXPERIENCE

Fincantieri NexTech - Genoa - FinNXT — 03.2026 - 06.2026
Thesis Internship – Naval Robotics
- Study of mobile and assistive robotics applications onboard ships, with development of ROS2-based simulation environments for autonomous navigation

UniBoAT Team - UniBo - UniBoAT — 09.2024 - 09.2025
Chief Technical Officer
- coordination of boat design development and testing
- supervision of subsystem integration (mechanical, electronic, hydrodynamic and control)
- definition of race strategy
- management of sponsors and budget in collaboration with the marketing team.
- 1st place overall MEBC 25
- Innovation and Design Prize MEBC 25
- MEBC 25 overall winner

UniBoAT Team - UniBo - UniBoAT — 09.2023 - 09.2024
Powertrain Division Member
- Design and implementation of the boat's electronic system
- Programming of the electric outboard motor prototype inverter
- Development of the master ECU (LabView)
- Communication systems via CAN Bus
- Programming of STM32 boards
- 4th place MEBC 24 - 3rd place SIBW 24 Olbia

SmartSystem S.R.L - Fano - SmartSystem — 05.2023 - 08.2023
Computer Programmer
- Development of a communication bridge between two devices: an analog controller and a brushless motor driver
- STM32 board, CAN-FD and UART protocols

EDUCATION

Master's Degree Automation Engineering — 2023 - 2026
Alma Mater Studiorum | University of Bologna

Bachelor's Degree Automation Engineering — 2019 - 2023
Alma Mater Studiorum | University of Bologna
Final mark: 102/110

VOLUNTEERING

Certified Scout Leader
Scout Leader within the FSE (Federation of European Scouts) association. I am an educator using the Scout method with teenagers aged 11–16.
